

# The Names of God

...a compilation for personal worship

*- soli Deo Gloria!*

*This compilation of titles and names of God has been put together for personal use in worship. The hope is that this tool will lend a Godward slant to your time with the LORD each day. By simply reading one name each day, along with the associated passage, and pausing to reflect and praise God for who He has revealed Himself to be, I have found my heart humbled and turned Godward. May it be so for you as well. Taking time to reflect on the broader context of the names by reading the surrounding verses only adds to the wonder! The names are based on the New International Version (1984) and Biblia Hebraica Stuttgartensia (Hebrew) and Westcott-Hort (Greek). They have been compiled in a Word document (in addition to a pdf) so that you can add or modify the file in any way that enhances your worship or that will serve others. Pass it on!*
